Rulings

The Judge's word is FINAL!

In the event of a disagreement / accusation of poor sportsmanship / cheating then please call a judge IMMEDIATELY. We cannot help you after the fact, however if you raise the issue straight away then we can probably help resolve it.

Minor rules offences will be given a warning (we all make mistakes).

Intentional cheating can result in penalties ranging from a points penalty between 10-100 points / automatic losses / disqualifications and / or barrings from future events.

Intentional lying, bullying or intimidating behaviour will not be tolerated.

Conceding

Please play out the game as much as possible, you never know, you may be able to turn it around. However, any conceding will assume you score 0 further points for that game from that point on. Please call a Judge to verify this action. In the events of emergencies of course we can be flexible.

Losses

It happens, we all lose, it is part of the game and experience of becoming a better player. Laugh it off, congratulate your opponents and ask for advice.
